

QR Code Technology for Table Location & Seating Management

Eventdex introduces a game-changing feature - QR code technology for table location & seating management. Attendees can quickly scan a unique QR code using their mobile phone to access their table assignment details, including name and company details.

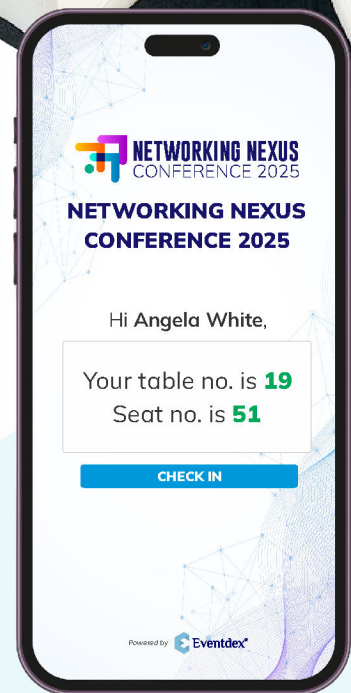

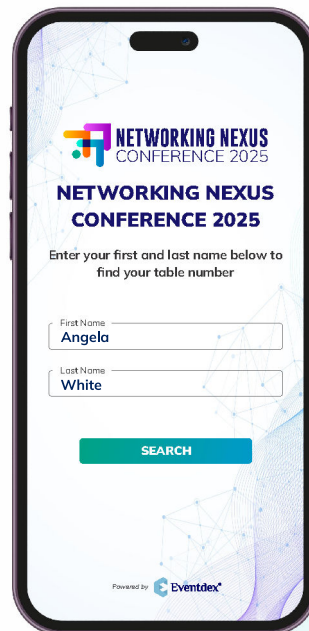

Why Eventdex?

- ▲ Smooth Check-ins
- ▲ Instant Table and Seat Finder
- ▲ Customizable QR Codes
- ▲ Smart Seating Solutions

Benefits

- ▲ Convenient Seating Arrangement
- ▲ User-Friendly Interface
- ▲ Real-Time Information Updates
- ▲ Event Support Assistance

Planning to host glamorous Galas/Concerts/ Charity or Fund-raising events? Our QR code seating management & table finder technology adapts to all event styles, ensuring precision.
