

Transform your Venue into a Visual Masterpiece with Eventdex's Event Floor Plan Software

Transform how you plan and manage trade shows, expos, and conferences with Eventdex's interactive event floor plan software. Effortlessly map out exhibitor booths, aisles, and key areas to visualize your venue. By creating immersive layouts, Eventdex helps enhance attendee experiences and maximize engagement, ultimately driving the success of your event.

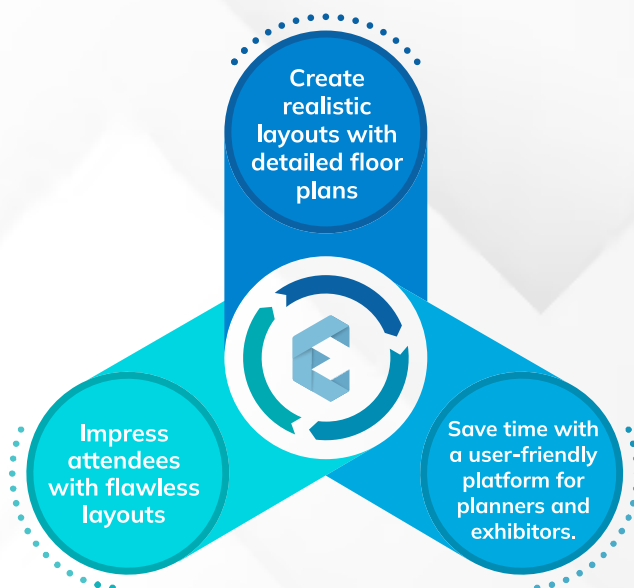

Key Features:

- Sell booths directly from floor plan
- Import your existing floor map diagram and map booths
- Custom Branding & Booth Dimensions
- Seamless Booth Reservations with Real-Time Updates
- Efficient Grid Builder and Multi-Element Alignment
- Smart Menus for Quick Edits
- Versatile Export Options
- Streamlined Guest Management
- Reusable Templates & Time-saving Shortcuts
- Easy Setup Guidance
- Mobile-Friendly Attendee View for the Web and App
- Seating Charts & Tradeshow Elements
- In-Depth Reporting and Analytics
- Enhanced Security and Accessibility

Why Choose Eventdex?

- ▲ User-friendly Interface
- ▲ 24/7 Support
